

Amendments to the Drawings:

The Notice Regarding Drawings indicates that applicants submit corrected drawings based on the objections of the Patent Office Draftperson's drawing review, PTO-948. The objections of the PTO-948 state that the margins of figures 5 and 6-13 are not acceptable, the views of figures 1-3 and 5-13 are not labeled properly, the character of lines, numbers & letters of figures 1-13 are not uniformly thick or well defined, and the numbers, letters & reference characters of figures 1-13 are not plain and legible or at least 32 cm in height.

Applicants have corrected all objections stated in the PTO-948 and submit herewith corrected figures 1-13 (44 pages).
